Calling All Humboldt County Artists & Arts Businesses:

The 14th Annual North Coast Open Studios is fast approaching. The dates for this year's tour are **Saturday and Sunday, June 2-3 & 9-10**. For those of you who have never participated, this is a great year to start! NCOS 2012 will include:

Full Color Publication: This year's guidebook is a full color magazine size publication that will be inserted in the North Coast Journal. Check out page 2 of the directions for more information.

Show & Reception: This year we will be hosting an Artists' Show & Reception on Saturday, May 5th during Arts Alive! See page 4 of the directions for more information.

Artist Workshops: We will also be hosting a variety of Artist Workshops offering hands-on assistance in marketing your open studio! See page 3 of the directions for more info.

As always, this event is for, and by, Humboldt County artists. Without the support of participating artists, this event would not happen. Please join us in making 2012 the best yet North Coast Open Studios!

Interested in helping out with the event? We need volunteers and assistance with many facets of NCOS, from being a member of the Steering Committee to helping hang posters and distribute guidebooks. Please contact me if you are interested in volunteering. Anything you can do is greatly appreciated.

Please note the deadline for registration is March 20th. This includes submitting a completed application form, an image and all required fees. To register for North Coast Open Studios please complete the enclosed registration form and mail it with full payment to: North Coast Open Studios c/o the Ink People Center for the Arts, 517 3rd Street, Suite 36, Eureka, CA 95501.

If you have any questions, you can reach me at contact@northcoastopenstudios.com or (707) 834- 6460. Thanks so much for your participation, and I look forward to working with you all on NCOS 2012.

Taffy Stockton, North Coast Open Studios Coordinator
